## ABOUT ME

Software engineer in progress, with experience in Front-End and growing proficiency in Back-End development. Specialized in technologies such as HTML, CSS, JavaScript, TypeScript, and Python, with a focus on frameworks like Django, Next.JS, Flask, and React.JS. I demonstrate my ability in diverse projects, ranging from institutional websites to complex web applications. Proficient in SQL and NoSQL databases like PostgreSQL, MySQL and MongoDB, with experience in Docker to ensure portability and efficiency. I am highly committed to continuous learning and making significant contributions to teams, offering creativity, problem-solving skills, and code quality.

## EDUCATION

- Software Engineering – Bachelor's Degree – Estácio – 02/2024 – 12/2027.
- Law – Bachelor's Degree – Faculdade Carajás – 08/2017 - 12/2022 - (completed).
